We will split into small groups depending on ability and each group will be accompanied by an adult, either mounted or on a bike!

Groups are likely to match the courses at Rogate, so if you have a look at their website and see what you would feel comfortable with and then let us know.

The cost is approximately £22.00 per person, depending on numbers and will be confirmed nearer the time.

Professional tuition can be arranged if you so wish for a particular group, please let us know and we will do our best.

We will be having a picnic afterwards as well for anyone who wants to stay and join in.

Don't forget a back protector is necessary for this day.

Please note there is no official, qualified first aider on the day so we do require a parent to be present and take responsibility for their child.

Please email Sarah Bray at, Sarah4horses@lineone.co.uk if you would like to come together with which type of group you would be happy in.
